

September 2011

Dear Colleague,

HCS Careers Ltd is once again delighted to be working on behalf of the Welwyn, Hatfield & East Hertsmere Strategic Area Partnership Groups to host the **“Future Fair 2011”** at the **University of Hertfordshire, de Havilland Campus on Monday 10<sup>th</sup> October, from 5.00pm until 8.30pm**. The event is for all young people aged 13-19 within your school and aims to inform and inspire your students as they plan their futures.

The SAPG's are keen to ensure that the young people and their parents/carers have the opportunity to come along to this event to find out about the progression routes available and gain valuable information that will help with making their decisions about their next steps.

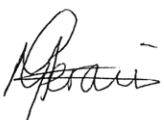

HCS Careers Ltd have invited several local colleges; universities; and delegates from training organisations who specialise in Apprenticeships. There will also be a range of local and national employers to provide information and advice to our students about career paths and opportunities within their sectors. There will be something for everyone!
